

**SEN – Meeting in Köln, Germany: 18<sup>th</sup> September 2010**

Interested people are invited to join the annual meeting of the German Spiritual Emergence Network (SEN).

The program is promising:

In the morning Wilfried Belschner and Peter Schulthess will discuss critical questions from “insiders and outsiders” perspective about transpersonal psychotherapy from a mainly theoretical point of view.

In the afternoon the exchange of more practical experience is on the program, and afterwards the yearly assembly of the members take place.
